Литургия в Будапеште 2021 / Liturgy in Budapest 2021.

This is a recording of the concert from the "Black Rituals 2021" tourwhich took place in Budapest. This is the first of a collection of 4 limited live releases that we have planned for the next 2-3 years.

Strictly limited:
LP - 300 pcs

This is a one-off publication that will not be reissued. The idea behind these releases is to present a real concert,with mistakes, without the so-called studio overdubs and the atmosphere of a real live show.
So don't wait!

Order now because there will be no repressings or reissues!
