Erech Leleth's one-man black metal horde GOLDEN BLOOD will invade your ears with filth and desecration. His latest 4 song EP is an ode to black metal and heavy metal classics. With the addition of thrash metal riffs and punk attitude "Cum, Coke & Blasphemy" is a punch right between the eyes! The EP is also heralding the release of a full-length CD coming later this year. So, if you are into Midnight or Truchło Strzygi, you like the atmosphere of Watain or Dissection, GOLDEN BLOOD is for you!

Released as a 8 panel digi pack.
