Genre: death metal

Hailing from Dallas, Texas comes the unholy horde WINGS OF DAHAK. Their full length debut album "Unholy Wings", inspired by the Persian mythology and the creature Azhi Dahaka, a three headed dragon which brought ruin to earth, is a death / black metal amalgamate. A fierce & intense experience. Prepare yourself for 6 tracks of misery, hunger and thirst for death. Here comes WINGS OF DAHAK!

#### TRACKLIST:

1. Inhaling the Spirit of Destruction
2. Moment of Release
3. Unholy Wings
4. Catastrophe of Infinite Regress
5. Search for Utukku
6. Reflecting on the Beauty of Mass Carnage

Total: 34:12
