Once again, ZØRORMR returns to wreak havoc and corrupt minds with its latest release entitled: "The Monolith". Many years in the making, this record is an enormous, over 46 minutes effort full of nihilism, misanthropy, and hate towards the indifferent world. With its raw and brutal guitar work, fiery vocals, and impressive drum work, "The Monolith" combines the basement style of ZØRORMR's debut album "Kval" with the production qualities of "Corpus Hermeticum". It's the most personal ZØRORMR album to date! A record worthy of its title.

All guitars & bass recorded in 2017 at Red Dragon Studio in Opole. Drums recorded in 2017 at Dobra 12 Studio in Białystok. Vocals recored at Via Nocturna Studio in 2021 in Opole. Mixed & mastered between 2021 & 2022 at Monroe Sound Studio in Stargard by Arkadiusz "Aro" Jabłoński.
